The NCUS is proud to host a mini-symposium presenting the most current information available in each of the topics presented. It will provide a forum to build practical knowledge and application for all levels of sonographers from beginning to advanced. The Society of Diagnostic Medical Sonographers has approved the NCUS Fall Symposium for **7 CME credit hours**. The participant will receive credit only for those hours actually spent in the educational activity. NCUS members enjoy a discount on meeting registration fees. Online registration and membership is available at www.ncus.org

Location

The East Carolina Heart Institute Conference and Education Center is located on the first floor of the ECHI at East Carolina University. The physical address is 115 Heart Drive, Greenville, NC 27834. The ECHI at ECU resides on the West Health Sciences Campus of ECU near Pitt County Memorial Hospital.
